

Cannons

Paul Wickham

Verse 1

It's falling from the clouds
A strange and lovely sound
I hear it in the thunder and the rain
It's ringing in the skies
Like cannons in the night
The music of the universe plays

Chorus 1

(We're singing) You are holy great and
mighty
The moon and the stars declare who You
are
I'm so unworthy but still You love me
Forever my heart will sing of how great You
are

Verse 2

Beautiful and free
The song of galaxies
Reaching far beyond the Milky Way
Let's join in with the sound
Come on let's sing it out
As the music of the universe plays

Chorus 2

(We're singing) You are holy great and
mighty
The moon and the stars declare who You
are
I'm so unworthy but still You love me
Forever my heart will sing of You

Bridge

All glory honor power is Yours amen
All glory honor power is Yours amen
All glory honor power is Yours forever amen

He is God

Wes Terasaki

In the quiet of the night,
Every star shines with the warmth
of its creator.

Echoing His perfect light...
All the universe is smiling,
He is God.

From the moment of His birth,
While the stillness of the wind
salutes His coming.

Merging heaven with the earth,
So the world can know this day that
He is God.

Seems so beautiful to me;
With colors you can see,
He'll paint your heart with
golden love.

Peace I hardly understand,
Like waves upon the sand,
He covers me with love.

All of life at His command,
Every bird shall come to rest
upon His shoulder.
Trees reach up to touch His hand,
And they tell me He is Master,
He is God.

And they tell me He is Master,
He is God.

I Will Stand

Holland Davis

Let Your name be always on my lips

I will stand in Your house O Lord
And I will sing of Your great love
'Cause I was lost but now I'm found
Under the mercy of the cross

I lift up my hands
In sweet surrender
I lift up my voice
To worship You
I give You my life
Fill me completely
Let Your name be always on my lips
